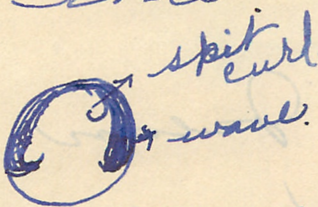
Dear Verna:

How are you this year of 1932?

I'm keen.

I didn't get to see much of you the last time I was there. We couldn't come this weekend. Some kid that had our car while we were up at Chehalis last time, caused it to knock like nobodys business. Daddy is having it fixed this week.

I had my hair cut. I wear it like this (Rough Sketch)



(Does it look like me)
Help.

not me at all.

I have talked about you & your brothers to my cousin so much (nice things of course) that she would like to see your pictures. If you have some please send me one. (yours, Ray's, Loyds & Lyles).

My cousin is Staying & going to school with me.

My boy friends initials are D. G. (Guess Who).

Gee but I wish could come down down here to see me.

Rem(ber) ember send me the pictures please.

Love

Vera Jean.

Remember me to your family.
